### Housing Community Investment and Development Los Angeles

(<https://hcidla2.lacity.org/coronavirus-covid-19-updates>)

- The Handyworker and LEAD Program staff have been in contact (by phone) with **hundreds** of seniors throughout the City. The Handyworker Program is for low income seniors, it offers minor home repairs, primarily repairs to help them get around the home (ramp, handles, window releases) so that our seniors have less reasons to move and stay in their homes.
  - 72% of Handyworker clients live alone, and having someone from the City call on them is providing reassurance and comfort in their lives.
- The Housing Development team is hard at work moving Prop HHH development / construction projects forward.
- Emergency Renters Relief Fund Program: <https://hcidlabill.lacity.org/RentersFund/>

### Personnel Department

(<https://personnel.lacity.org/covid19/>)

The City of Los Angeles has deployed over 1,000 DSWs from nearly every City department to help provide and support LA Love. During this time, these employees show pride in their new roles and responsibilities which directly impact the lives of people who live, work, and play in the City of Los Angeles (<https://personnel.lacity.org/dsw/>)

## Joint Information System Report

### Department of Public Works

(<https://dpw.lacity.org/>; <https://streetsla.lacity.org/>; <https://eng.lacity.org/>;  
<https://www.lacitysan.org/san/faces/home>; <http://laocb.org/>; <https://bca.lacity.org/>; <https://bsl.lacity.org/>)

The City of Los Angeles Department of Public Works consists of five bureaus and five offices. The Department continues to provide critical services and support the City's ongoing efforts during COVID-19. The Department remains dedicated to the public safety and health of all Angelenos, from our residents to our employees, and appreciates the continued patience and understanding of all.

- Bureaus of Transportation, Street Services and Office of Community Beautification cleaned up areas impacted by the protests and did advanced cleaning by adding protective measures
- 112K feet of graffiti was removed

### LA Sanitation and Environment

- Sanitation has produced 22 banners and 1,500 goodie bags with snacks to share appreciation for their work at plants and facilities to thank them.
- Businesses need to have waste and recycling services activated to continue operating legally.
- LA Sanitation and Environment has partnered with the YMCA to provide showers, bathrooms and locker rooms for unhoused individuals at nine YMCA facilities in the City.
- 3,000+ shower use at the YMCA, these services available for homeless population.
- Temporarily offer free extra collection. Once your bin is emptied, you can refill it while our team is there, and they'll collect it again. This new service is free of charge to residents. It starts on Monday and lasts until the Safer at Home order is lifted. If you have any questions, call our Sanitation Department's 24-hour customer care center at 1-800-773-2489 or dial 3-1-1.
- The Safe Centers known as drop off points for hazardous materials are still not open. Messaging went out to the public to communicate storing of these materials at home until the centers open.

### Streets LA

- Streets LA staff are going to be engaging and ensuring businesses that are going to be opening up are in compliance and will be working closely with the Mayor's Office team to move forward with providing education and outreach.
- StreetsLA has shifted street resurfacing projects and street sweeping to select high traffic streets and major commercial corridors to minimize impact on residential streets as more people are at home and vehicular traffic is less during this time. Over the weekend, StreetsLA completed street resurfacing work on 7th Street from Figueroa St. to Main St. in Downtown LA. More information on changes to their work plan are available at [StreetsLA.lacity.org/ADAPT](https://StreetsLA.lacity.org/ADAPT)
- StreetsLA, in partnership with Outfront JC Decaux, began the installation of hand sanitizing stations at heavily used bus stops. StreetsLA worked with farmers markets on social distancing and public safety operational plans in order to remain open. More than 30 farmers markets plans within the City have been approved.
- Parking enforcement has been relaxed for posted street sweeping routes, but residents must comply with other, temporary parking restrictions for StreetsLA street resurfacing, sidewalk repairs, and tree trimming projects or they risk being ticketed or towed.

## Joint Information System Report

### **Bureau of Engineering**

- The Bureau of Engineering completed A Bridge Home shelter at the VA West Los Angeles Campus, which has capacity to house up to 50 homeless veterans.
- The Bureau of Engineering and LA Sanitation have assisted in the transport and provision of sanitary services, including the disinfecting and pumping out of septic tanks of 283 trailers from Hansen Dam to various sites. Overall 535 trailers were donated by the State of California to house patients.
- Engineering's Development Services Program is issuing permits and delivering all services via online applications or other electronic means such as email. For those few items that cannot be submitted electronically, customers can drop off materials for processing at specially designated locations. Engineering is also now able to accept payment via electronic check. Please visit <https://eng.lacity.org> for more information on the special procedures in place, including drop-off locations, contact emails and phone numbers; and to apply for services online.
- Increased permitting for outdoor dining. Engineering will be taking the lead on this with the permits to maintain social distancing.
- The LA River will be opening for the summer again beginning on Monday, Memorial Day, but kayaking will not be allowed.

### **Bureau of Contract Administration**

The Bureau of Contract Administration inspectors are visiting construction sites to ensure that social distancing is being practiced and protective equipment is being provided.

- Bureau of Contract Admin. has released 1,400 procedure memos and education to construction sites for compliance. No shut downs of construction sites.

### **Bureau of Street Lighting**

Bureau of Street Lighting crews continue their work to keep the streets of Los Angeles illuminated. In the last month, nearly 3,500 lights have been repaired. Street Lighting, in partnership with the DWP, is offering free electric vehicle charging through its electric vehicle chargers attached to streetlights in the City of Los Angeles.

### **Office of Community Beautification**

The Office of Community Beautification teams continue to remove graffiti and conduct public right-of-way cleanups, but are currently not engaging community service workers for their own safety.

## Joint Information System Report

### Recreation and Parks

(<https://www.laparks.org/covid-19>)

- Face coverings will be required at golf courses and trails, and if folks are gathering in groups, and not physically distancing and wearing face coverings, we will again close trails and golf courses.
  - Hiking trails are open (please refer to the website for more information)
  - Tennis & Pickle Ball is open for single play only - sunrise or opening hours to sunset only.
  - At golf courses, it's reservation-only and many slots are filled. There will be fewer tee-times — every 12 minutes instead of every 8 minutes — only one person will be allowed per golf cart, and foam fillers have been added in every hole so it's easier to pick up your golf ball without making contact with the hole and flag.
  - Griffith Observatory remains closed — there will be no parking at the observatory — and some parking lots will be closed and capacity at popular trails will be reduced to mitigate crowds.
  - If you're going to a park, go at odd hours to reduce crowding.
- Shelters: 20 shelters are open, and some parking lots have turned into trailer sites with homeless residents that meet specific criteria.
- Beaches are open. Rules and guidelines: <https://twitter.com/LACoLifeguards>
- No longer accepting new residents in shelters/facilities, but will be continuing to accept residents at the trailer sites, there are seven locations throughout the City. Additional information regarding trailer site availability in each location on the website.

### Department of Cultural Affairs

(<https://culturela.org/>)

The City of Los Angeles Department of Cultural Affairs has developed a list of resources to provide opportunities for art instruction, art experiences, and creative pursuits during this period of social distancing. In this list you will find arts and educational resources for kids and teens, virtual art experiences, professional resources for artists, mental health resources, and contact information for crucial local, state, national, and international Agencies.

### City Attorney's Office

<https://www.lacityattorney.org/covid19>

The City Attorney's Office is working on consumer issues related to COVID-19. Besides price gouging, there are a number of scams that we're warning people about - ranging from fake tests and cures, false advertising of treatments, even scams around the stimulus checks. We are accepting complaints about these issues on our new COVID-19 specific, and have created the attached warnings too.

It's particularly important that older adults - older parents and neighbors - are aware because whether these scams are coming by email, text, social media or robo-call, they really seem and sound legitimate. And older folks are likely to be even more isolated right now.

### Building and Safety

Continues to enforce L.A. Building & Safety Announcement No.5 dated April 15, 2020, Topic - "COVID-19 SAFETY GUIDANCE FOR CONSTRUCTION SITES". These 16 guidelines are enforced on all residential and commercial construction sites. To date, no buildings or structures have been affected long term.

### Department of General Services

#### COVID-19 Testing

- As of May 27, nearly 395,000 COVID-19 test kits have been delivered to the City through contracts established by GSD.
- GSD used the Asset Management System (AMS) to generate a list of 74 City-owned facilities or lots that may be used as walk-up or drive-through testing locations and prepared real estate agreements where necessary.

#### Purchasing

- GSD has procured over \$11.6 million in high demand and hard to source personal protective equipment (PPE) such as N-95 and surgical masks, nitrile gloves and goggles, disinfectants and other items for use by the City and the Logistic Victory LA initiative.
- Worked with the EOC to develop 30, 60 and 90 day estimates of burn rates for critical supplies.

## Joint Information System Report

### EOC Support

- GSD staffed the Logistics Lead, supply transportation and building maintenance seats of the EOC facilitating the acquisition, release and delivery of priority supplies to requesting departments.
- GSD staff also conceptualized and designed a new methodology for tracking and quantifying resource requests and helped coordinate the transition to this new methodology away from an antiquated system.

### Key Updates

- The City of Los Angeles will not be enforcing a curfew over the weekend.
- Several L.A. County testing sites remain closed or have modified hours amid continuing protests.
- Effective May 30, 2020 Mayor Garcetti issued a declaration of local emergency with an executive order implementing a curfew for the entire City of Los Angeles.
